This class is for established make-up artists or an artist who has done any of our other courses and wants to master their skill to become the very best at what they do!

This time is yours! Whatever you want to perfect, we will take you there!

We do encourage artists to bring a picture of a look or elements of different looks to create one look and we will take you on a step by step journey to create the types of looks that will wow your audience!

You are also welcome to book a double session or three, or even ten if you prefer to recreate as many looks as you want with advance skill and confidence.

As a make-up artist you always have to be on top of your game, this class enables you to lift your skill level with every class.

Contact us today to speak directly with the team, who can guide you on a course best suited to you, your ability and your requirements. The phone lines are open Monday to Friday 09:00am until 17:00pm. Or send us an email to info@halouw.co.za and we will get back to you shortly.
