

INTERNATIONAL MASTER CLASS™

This class is designed for those who would like to learn the technically challenging looks seen on Instagram brought to you directly from Europe by Louise Volschenk.

These looks are what we like to call "Works of Art"

This class is a one on one session where we teach you step by step on how to create these advanced looks.

We will also teach you how to take the perfect photo so that your followers can go crazy for these new looks!

You will have your choice of how many looks you would like to learn :

Half day – One Look	R2000
Full day – Two Looks	R3800 (save R200)
Two Days – Four Looks	R7200 (save R800)
Three Days – Six Looks	R10 600 (save R1400)
Four Days – Eight Looks	R14 000 (save R2000)
Five Days – Ten Looks	R17 800 (save R2200)

**You do not need to bring any makeup or brushes, we will supply everything to use during your class*

***A model is required for this class. For these looks we require a model with large eyes. We can supply one for you at an additional fee of R400 per look*

We do recommend that artists attending these classes have a good background in make-up knowledge as these classes are the most advanced beauty make-up looks in the world.
